

GREATER LOS ANGELES AMATEUR RADIO GROUP

Certificate of Successful Completion of Examination

SESSION # _____ CITY _____ ZIP _____ DATE _____

NAME _____ CALL SIGN _____

Has demonstrated to the satisfaction of the undersigned Volunteer Examiners successful completion of the Amateur Radio examination elements shown below.

Upon presentation of the ORIGINAL of this certificate at a subsequent examination session within 365 days of its date of issue, credit will be given for the following examination elements (see 97.505)

ELEMENT 2 [TEC]

ELEMENT 3 [GEN]

ELEMENT 4 [EXT]

A valid FCC-Issued amateur radio license and this certificate validates temporary operation with the operating privileges of the following operator class pending grant of the license for the new class or for a period of 365 days, whichever comes first. See 97.9b of the Commission's Rules. You may operate with your upgraded privileges by adding /AG [General] or /AE [Extra] to your call sign until the upgrade is in the FCC database. Check the FCC ULS database by doing a License Search at wireless.fcc.gov
